

BOYS & GIRLS No.1

original title: JUNGS & MÄDCHEN No.1
videography for flatscreen or backprojection
HDTV, loop, color, sound
© Matthias Fritsch, 2007

description

The video depicts a boy and girl in an allmost timeless and paused scene. While the boy is fishing the girl is waiting. Once in a while both are looking to the side and then back to the water. Located in a suburban area in Moskow the aesthetic referes to contemporary German fotography.

presentation

The videography should be shown on a simple high definition flatscreen or back projection like a framed photograph on the wall.

technical requirements

HD-Flatscreen, Ratio: 16-9, computer or HD DVD player, size of video: 2000x1200 pixels
